

Western Rounds & Junior Shooters

GNAS Rules of Shooting Section 3-12 Table 3-4 gives age groups for UK Record Purposes.

J Gents	J Ladies	Code	Round	Distances
U18	n/a	C	W	60/50
U16	U18	D	SW	50/40
U14	U16	E	JW	40/30
U12	U14	F	SJW	30/20
n/a	U12	G	VSJW	20/15

NOTE : There is no "C" round under Western Rounds. U18 gents would have to shoot a standard Western Round with the seniors.

NOTE : As there is no "G" classification for the Western Rounds we can make up a shorter round for U12 Girls. We suggest 20/15 to make it fair.

Any Juniors can shoot a higher round than standard but all the prize groups will be combined together. I.e. an U16 & U14 gent shooting Western will both compete for the Junior prize. Same on the shorter rounds too.
